

FREE PROSTATE CANCER SCREENING

Exam and PSA Blood Test

Saturday,
October 10th, 2026
8-10 a.m.

Northeast Louisiana Cancer Institute
411 Calypso Street
Monroe, LA 71201
(Next to I-20)

First come, first serve, and no appointment is needed.

This screening is for any man over 40 years of age who is not seen annually by his own physician. For anyone who has a finding from this screening, the local Foundation will be in contact to assist with the next steps.

This free screening event made possible with funding by our Community Partners:

LaCancerFoundation.org
